

Munters Technology Training Dates

May 17-19 | Selma, TX Factory

September 13-15 | Amesbury, MA Factory

Commercial Applications and Products

Industrial Applications and Products

Who Should Attend?

HVAC Engineers
Consultants
Design Engineers
Plant or Facility Engineers
Building Managers
Maintenance Engineers
Desiccant Equipment Users

Materials Included:

DH Handbook, 2nd Edition
Moisture Load Calculation Tools
Laminated Psychrometric Chart
Course Handbook

\$850 Investment

The seminar fee includes all training materials, breakfast and lunch during the training, dinner for two evenings and three nights' accommodations.

PDH Hours

Upon successful completion of the seminar, 20 PDH hours will be awarded.

2011 MUNTERS TECHNOLOGY TRAINING

The comprehensive three-day course covers psychrometrics, moisture load calculations, methods of moisture removal, sizing and design of DOAS and/or dehumidification systems, and also an intense review of common applications for Munters technology. The Munters Technology Training Course is designed for engineers and end-users that need fundamental education on psychrometrics and moisture calculations, or simply a better understanding of Munters technology and equipment.

Topics include:

- The different elements of a psychrometric chart and how they interact
- Available methods of dehumidification including cooling-based, direct expansion, chilled water, cool-reheat and desiccant
- Munters technologies advantages and limitations
- How to determine the performance of a dehumidifier and the associated variables that drive performance
- The sources of moisture loads and associated calculations
- Common applications for Munters technology and how it is applied
- How to optimize system performance
- Controls for Munters equipment

Additionally, the Munters Service Group will conduct a half-day course on the use of flow, wiring and control diagrams for troubleshooting and balancing.

Munters instructors utilize industry recognized tools and reference materials to create an interactive learning experience tailored to address the interests of the class. Conducting the seminars at Munters manufacturing facilities provides students a "hands-on" learning environment not available anywhere else in the world.

REGISTRATION FORM

Please fill out ALL INFORMATION COMPLETELY and submit via one of the following methods: E-MAIL: dhinfo@munters.com or MAIL TO: 16900 Jordan Road, Selma, TX 78154, Attn: Jacqueline McIlrath

Attendee Information

Name _____

Company _____

Address _____

City _____ State/Province _____ Zip/Postal Code _____

Phone _____ Fax _____

Email _____

*All course information including confirmation of registration is sent via e-mail, please enter carefully. Once your registration information is received, you will be notified via a confirmation e-mail sent to the e-mail address that you have provided above. Thank you for your interest in Munters Technology Training.

Payment Options

Check (Payable to: Munters Corporation)

Credit Card AmEx MC VISA

Card Number _____

Exp. Date _____ Security Code _____ (AmEx - 4 digits on front, VISA/MC - 3 digits on back)

Cardholder's Name _____

Billing Address _____

City _____ State/Province _____ Zip/Postal Code _____

Billing Phone _____

Twenty Professional Development Hours (PDH) are awarded upon completion of the course. Please refer to your state licensing authority for specific information about applying PDH towards license renewal requirements.

Registration Fees: The seminar fee is \$850. (\$950 for late registrations, received within two weeks of seminar start). Fee includes: All training materials, breakfast and lunch for three (3) days, dinner for two (2) evenings and accommodations for three (3) nights.

Payment Policy: Course fees must be paid prior to commencement of class.

Cancellation Policy: If you are unable to attend the seminar and can not find a replacement, Munters will completely refund your tuition if notice is received at least seven (7) days prior to course commencement. If cancellation request is received with less than seven (7) days notice, Munters will retain a \$100 processing fee and refund the remainder. If you fail to attend the seminar and have not provided Munters with advance notice, tuition paid will not be refunded.
